**INSTRUMENT FLIGHT PROCEDURE APPROVAL**

PURSUANT to Cook Islands Civil Aviation Rules Part 95,

I, **Dennis Vivian John Hoskin, Director of Civil Aviation**, being satisfied that:

- 1) the procedures designed by Aeropath of Wellington have been designed in compliance with their Instrument Flight Procedure Service Organisation Certificate issued by the Civil Aviation Authority of New Zealand under New Zealand Civil Aviation Rules Part 173;
- 2) the procedures have been assessed as being designed in compliance with the relevant International Civil Aviation Organisation criteria (PANS-OPS Document 8168 and Document 9905) and
- 3) the current obstacle survey data has been utilised

Approve the following instrument flight procedures for Rarotonga International Airport to be published in the Cook Islands Aeronautical Information Publication/Air Navigation Register effective with AIRAC 10/19 and notified in the Government Gazette
